Office Financial Policies

Thank you for choosing our office for your dental health. We strive to provide you with the optimum in dental care. High quality dental care is an investment in your health so we would like to offer you the following payment options.

Full payment and all insurance deductibles and co-pays are *always* expected at the time services are rendered.

We accept payment by cash, check or credit card (Visa, MC, AMEX, and Discover). For treatment plans over \$1,000 we offer 0% interest financing up to 12 months with our outside dental finance company, Care Credit, pending credit approval. Extended payment terms may be available upon approval from Care Credit.

Dental Insurance

We accept dental insurance assignment as a courtesy to you. Your insurance plan is an agreement between you, your employer and the insurance company. You are responsible for all co-pays and deductibles. We do our best to estimate what your insurance company will pay. Please remember that these estimates are not binding and any additional payment will be your responsibility. We will file your insurance claims in a timely manner. *However, if your insurance company does not pay the claim after 60 days, the balance will be your responsibility.* Any insurance payment received after 60 days will be sent to you.

Cancellation or No Show of a confirmed appointment *will be charged \$50.00*

Our time is as valuable as yours. We try to confirm all of your appointments. We reserve the right to charge you for cancelling or not showing up for a scheduled appointment. We ask that if you must cancel, that you give us *at least* 24 hour notice.

I have read the above Financial Policies and I agree to the terms written as it applies to me and my family.
